Njoy Mart

It is said that necessity is the mother of Invention. During the covid-19 pandemic, it was observed that ecommerce business was at the top priority as the people were scared of going outside and were expecting the safest delivery with quality services.

This observation gave a birth to **Padosh Ki Dukaan** and was brought into effect from 2020. As we failed due to less knowledge of brand protection and we have received query for the brand name and we announced new name **Njoy Mart**. However, the idea is successful but the invention is still in progress to make it more extraordinary and make its launch successful.
